### FL - DECOR AIR LINEAR FLOOR GRILLE

Decoratively designed linear aluminum grilles of 15 or 0 degree deflection with fixed horizontal blades. The grille is reinforced to carry heavier loads

S - Adjustable vertical rear row of blades of one or two sided deflection.

Decor air linear grilles (D0 , D15 ) are available in a single length or in multiunit endless strips. Mounting frame has to be straight to allow good alignment.

Sizes like regular D0 / D15 grilles

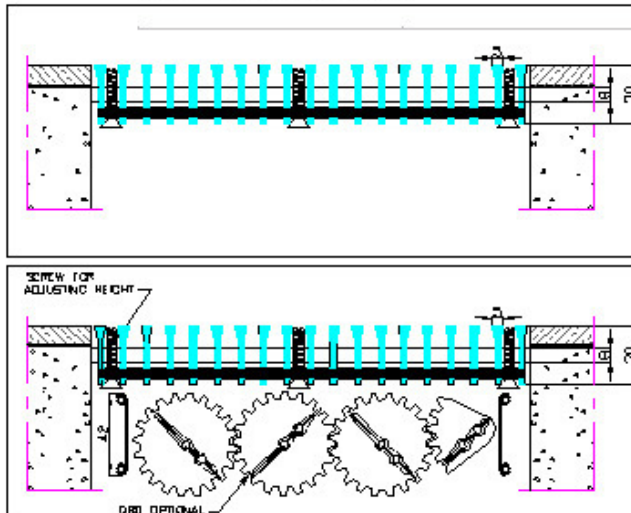

H - Size depends on number of blades

Anodized finish,

Optional N-GOBD volume damper.

Fixing method: Lay in

## FL FLOOR GRILLE MATERIAL ALUMINUM
